**ROTARIANS DOING ROTARY THINGS**

**NEW RC OF ENFIELD HEAD PUPILS PROJECT**

One of the Enfield Rotary Clubs annual events is our Head Pupils evening when we invite the lead student representatives from all our local schools to spend an evening with us. Last year with Covid this did not happen and we were anxious not to lose contact with Head Teachers and staff alike so a special effort was made by our Liason Rotarian Jim Eustance to round up as many head boys and girls as possible to make the evening a success.

Over a fish and chip supper and a glass or two they told us a little about themselves and their aspirations for further education and university. It

was hugely gratifying to hear their stories and ambitions, their hopes and ideas.

It is always refreshing to have them with us and we had also invited Chris Wong one of this year's Ambassadorial Scholars who gave us a fine presentation of his Rotary story and ongoing studies in London.

Our second presentation was a student of the Arts, a ballerina, Lucy Bishop-Laggett, already with a degree under her belt who told us of her struggles within this challenging art form during lockdown. Both these talks were so well received by the students who could easily relate their own lives to the success that they could plainly see before them from their own peers.

Our photo includes 15 students together with our President Ian, Chris Wong and Lucy on the extreme left.
