

November is Rotary Foundation Month and the Match Is On!

During **November and December** of 2021, your contribution to The Rotary Foundation's Annual Fund of any amount from **\$250 to \$2000** will be **matched \$1 to 1 point with Rotary Foundation Recognition Points to make you a Paul Harris Fellow or next level Paul Harris Fellow (+1 all the way to +8) twice as fast!**

Your Club Rotary Foundation Chair or Treasurer should be able to inform you of your current giving level if the club sends in your gifts. You can also check your own personal giving and Paul Harris recognition level by going to MyRotary.org, clicking on your name in the top right hand corner of the page and selecting My Donations.

How can you participate in this extended Rotary Foundation Month Match? **First**, give to the Annual Fund by 1) sending in a check to The Rotary Foundation, 2) filling out the credit card section of the Contribution Form attached, or 3) giving on-line to the Annual Fund (SHARE) at MyRotary.org. **Step two** is to notify me that you have given and the amount. My preference is that clubs collect the donations from all of their members and send the donations in with a Multi-donor form. Official notification of the gift must be received before we can process the match, and only Annual Fund contributions during this time period qualify.

Also, your gifts received by December 31st, 2021 will help your club qualify for next year's District Grant, so make sure you don't miss this opportunity to help your club reach the \$100 per capita giving level as well as 100% EREY.

The fine print - As this is a Rotary Foundation Recognition Points Match, the Match does not increase your Major Giving totals which must be cash (no points) and starts at a lifetime giving amount of \$10,000. But we would still encourage you Major Donors to continue to give each year!

Thanks for your support of Our Rotary Foundation -
