

## Wreaths Across America – Houston

Once again, this year the Rotary Club of Greater Houston Veterans will be coordinating the laying of Wreaths Across Houston on December 14, 2024. We will have a sign-up on club runner later in the year. Last year we were somewhat disappointed as we for the first time in 5 years we did not have enough for our area. We were sad to learn that they never have enough wreaths for every tomb. We will try and change that with the help of every Rotarian in District 5890. The cost of the wreaths is just \$17.00 each. We are asking each Rotarian to purchase two wreaths. This will allow us to have another 4,000 wreaths this year.

Please click on the following link to purchase wreaths. Rotary District 5890 will receive credit for all the wreaths that are purchased through this link.

Thank in advance for your help and support. Let's make District 5890 Shine.

If you have any questions, please let me know.

Bob Gebhard PDG

District Governor 2013-2014

Co-Founder Rotary Club of Greater Houston Veterans

Co-Chair Operation Turkey

Chair Veterans Service Committee
