

ROTARIANS,
HAPPY NEW YEAR! Just a quick hello to kick off our new year. Thank you for you've done and will continue to do to Create Hope in the World.

I want to hear about all of your good works this year. Pat yourselves on the back and share ideas!

Rotary International President, Gordan McNally, has challenged us all to take the stigma away from talking about mental health. Thank you to everyone who joined in person or virtually to lend support and bring attention to this very important cause.

We can't be all work and no play! We are starting off the year with fun first....Rotary Club of Katy has put together a fellowship and everyone is invited.

Here is a little promo for laughs https://youtu.be/FWhxW_E1Pns

I look forward to having fun most of all serving alongside you as we CREATE HOPE IN THE WORLD.
